Weave in ends.

## Notes

- This pattern is made for an average/small hand. To adjust for a larger size, cast on 3 more stitches (for a total of 26 stitches), and add 2 more rows of Knit for the thumb section (rows 17–24: Knit).
- If you want longer gloves so it feels more like a gauntlet add another 6 rows of Knit after the first repeat of rows 1–4, then continue in pattern.
- To add colorwork to this pattern, change color every 4th row during repeats and for the rows of Knit (rows 17–22).
